

No Loop Belt End Replacement

Assembly Instructions

No Loop Replacement Belt End

STEP 1

Push belt through the back of the belt end.

STEP 2

Attach retaining clip over the top of the belt.

STEP 3

Fold the belt around the round leg of the retaining clip.

STEP 4

Tuck the folded belt back through the slot in the back of the belt.

STEP 5

From the back pull the retaining clip into the belt end.

STEP 6

Use a screw driver to push the retaining clip into its seat, listen for the click to tell it the clip is correctly fastened.
