# SafetyMaster Twin

## AFFORDABLE TWIN BELTS

SafetyMaster Twin provides a functional, low cost solution for restricting access to work or cleaning areas. The lower belt restricts pedestrians from ducking under the belt and makes this product ADA (Americans with Disabilities Act) compliant. This product features a unique two piece post construction which allows the lower belt mechanism to be easily replaced in the field. The Xtra model features a 50% wider belt making a more visible barrier and giving much greater impact to printed logos and messages.

Model SM450TwinY

Model SM450XY
