

1.5" Velour Ropes

The heavy duty cotton core construction of this rope provides smooth elegant drape between posts. The hard wearing velour cover is available in a choice of seven colors. These ropes come with a hinged snap end which is less prone to breakage than spring types. The snap end also features an easy to use trigger which makes opening easy and comfortable. For applications where the rope is being removed frequently hook ends can be supplied.

SPECIFICATIONS

1" Economy Ropes

When budgets are tight our 1" Economy rope is the ideal solution. This rope is made from high density foam with a manila rope core which provides better draping characteristics than other ropes in this price category. Covered with durable velour in a choice of three colors the 1" Economy rope is supplied with metal snap ends in polished chrome or brass.
