# CUSTOM BARRICADE SIGNS

Custom Fit PVC Signs With Pre-Drilled Installation Holes

BRANDING • ADVERTISING • SPONSORSHIPS

Adding custom barricade signs to the Billboard Barricade can help generate revenue, increase safety, provide direction, and build brand awareness. Our high resolution, full-color custom graphics can be printed on corrugated plastic (Coroplast®) or expanded PVC (Sintra®), both of which can stand up to weather just as well as our barricades do.

Many of the organizations who use our crowd control barriers have been excited to see their barricade signs draw so much attention. Festivals like the Utah Arts Fest use custom crowd control barriers not only to showcase sponsors but also to define specific areas and provide direction. Zoos around the U.S. use custom barricade signs to advertise exhibits and shows or direct pedestrian traffic away from construction zones.

Our barricade signs are trusted by major league sports teams, international airports, colleges & universities, zoos & aquariums, the National Park Service, and so many others!

## ORDERING INSTRUCTIONS

### ARTWORK

#### FILE SIZE

**36.5" x 29"** (includes bleed)

#### FILE FORMAT

Please submit **.pdf** or **.ai** files with fonts outlined and images embedded.

#### TRIM SIZE

**36" x 28.5"**

#### RESOLUTION

300 PPI

#### LOGOS

Vectors are preferred (.ai or .eps). We can also use high resolution images if they are large enough to fill the space. We can check files if you are unsure.

### PRINTING & SHIPPING

Please submit your order at least **10 business days** before your in-hands deadline. Final artwork must be received 7 business days ahead of your deadline in order to ensure a timely delivery. Rush orders are sometimes possible but may cost more. Check in with your account manager if you need to expedite an order.

Signs are printed on corrugated PVC sign board. Sintra material is also available.

### MOUNTING HARDWARE

Mounting hardware is included when signs are kitted to barricades prior to shipping. If you are ordering signs through OTW please let us know if you would like hardware shipped along with your order. If you are printing your own signs, please note that the barricades themselves DO NOT include mounting hardware. The hardware we use to mount the signs include the following (per side):

- Four (4) tap bolts, 1/4" diameter by 1/2" length
- Four (4) flat fender washers, 1/4" inside diameter by 1 1/4" outside diameter
